

## **CIRCULAR**

### **NON-GOAN FINAL YEAR STUDENTS**

- (1) Government has given permission only for Non-Goan Final Year Students to stay in the hostel. One room will be allocated to one student only. The rooms have been cleaned and sanitized. One set of Cot, chair, table and one storage cupboard will be provided. Arrangements have also been made to provide one new mattress per student (approximate cost is Rs.800 to Rs.1000, to be paid by the student upon arrival if he/she need mattress). Used of old mattresses are strictly prohibited. Students are advised to bring their own bed spreads, tiffin boxes / lunch box / thermos flask and any other items of daily needs.
- (2) Students are permitted to come back and stay in the hostel from **6 January 2021** onwards. Goa University is yet to announce the exam schedule, students are advised to make their travel plans accordingly.
- (3) Students have to mandatorily submit the undertaking given below upon arrival duly signed by them and their parents. They have to compulsorily submit COVID-19 negative test certificate, taken within past 72 hours prior to arrival on campus and follow standard operating procedures / guidelines as applicable during the said period.
- (4) Permission will NOT be given to cook inside the room to maintain health and hygiene. Drinking water facility is available in the hostel. College canteen operator is willing to supply breakfast-lunch-tea-dinner for a package price to be decided based on the menu items. Students can also opt for any other food service provider based on their individual preferences. Since the number of students are limited, there will be no mess facilities.
