F. No. 19-03-2010-NBA

To,

The Principal

Bhausahab Bhandodkar Technical Education Complex  
Farmagudi, Ponda,  
Goa – 403 401

Subject: Decision on appeal against non- accreditation of UG – Electronics & Telecommunication Engineering program of Goa College of Engineering, Goa.

Sir,

This has reference to appeal dated 20.11.2013 filed by you against the decision not to grant accreditation to UG – Electronics and Telecommunication Engineering program of your College.

2. The Appeal was considered by the Appellate Committee of NBA in its meeting held on 17.07.2014. The recommendation of the Appellate Committee was considered by the Sub-Committee of General Council of NBA at its meeting held on 06<sup>th</sup> August 2014. Based on the decision taken by the Sub-Committee, accreditation status of the program is given in the Table below:

| Sl. No | Name of the Programme                             | Basis of Evaluation | Accreditation Status      | Period of validity w.e.f. 06.08.2014 | Remarks  |
|--------|---|---------------------|---------------------------|--------------------------------------|--|
| (1)    | (2)   | (3)                 | (4)                       | (5)                                  | (6)  |
| 1.     | UG- Electronics and Telecommunication Engineering | May 2011 Document   | Provisional Accreditation | 2 years                              | Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier. |

3. The accreditation status awarded to the program indicated in the above table does not imply that the accreditation has been granted to Goa College of Engineering, Goa as a whole. **As such the College should nowhere along with its name including on its letter head etc., write that it is accredited by NBA because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name and level of the program accredited and the period of validity of accreditation, as well as the date from which the accreditation is effective, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

4. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of your College.

Contd...

5. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major Changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully,

(Dr. Anil Kumar Nassa)
