

Number of laboratories with respective area in sq mts

Course	Level	Room ID/Name	Area of the Room
Computer Engineering Department	UG	Fundamentals Lab	
Computer Engineering Department	UG	Linux Lab	
Computer Engineering Department	UG	System Software Lab	
Computer Engineering Department	UG	Computer Graphics Lab	
Computer Engineering Department	UG/PG	Networks Lab	
Computer Engineering Department	UG	Multiprocessors Multi computers Lab	
Computer Engineering Department	UG	Image Processing Lab	
Computer Engineering Department	UG	AEDE Lab	
Computer Engineering Department	PG	PG Lab	
Electrical and Electronics Engineering	UG	Electrical Machines Laboratory	220
Electrical and Electronics Engineering	UG	Measurements Laboratory	120
Electrical and Electronics Engineering	UG	Electronics Laboratory	162
Electrical and Electronics Engineering	UG	Power Electronics Laboratory	162
Electrical and Electronics Engineering	UG	Basic Electrical Laboratory	70
Electrical and Electronics Engineering	UG	Computer Laboratory	108
Electrical and Electronics Engineering	UG	Power Systems Laboratory	54
Electrical and Electronics Engineering	UG	High Voltage Laboratory / Workshop	135
Electrical and Electronics Engineering	UG	VLSI / Microprocessor Laboratory	54
Electrical and Electronics Engineering	UG	New Computer laboratory	128
Electrical and Electronics Engineering	UG	Information security Laboratory	54
Electrical and Electronics Engineering	UG	Seminar room	54

Course	Level	Room ID/Name	Area of the Room
Electronics and Telecommunications Department	PG	Industrial Robotics Lab	51.04
Electronics and Telecommunications Department	UG	Computer Network Lab	105.6
Electronics and Telecommunications Department	UG/PG	Biomedical/Consumer Lab	79.2
Electronics and Telecommunications Department	UG	Device Characterization Lab	24.64
Electronics and Telecommunications Department	UG	Communication -I Lab	51.04
Electronics and Telecommunications Department	UG	Basic Electronics Lab	51.04
Electronics and Telecommunications Department	UG/PG	VLSI Lab	68.64
Electronics and Telecommunications Department	UG/PG	Advanced Communication lab	50
Electronics and Telecommunications Department	UG/PG	computer centre	95.68
Electronics and Telecommunications Department	UG/PG	Instrumentation lab	76m2
Electronics and Telecommunications Department	UG	Digital microprocessor	95.68
Electronics and Telecommunications Department	UG	Integrated electronics	95.68
Electronics and Telecommunications Department	UG	Project lab	76m2
Electronics and Telecommunications Department	UG/PG	Library	58.96m2
Electronics and Telecommunications Department	UG	Electronic devices and circuits	76m2
Electronics and Telecommunications Department	UG/PG	Microwave and RF Engineering Lab	76m2
Electronics and Telecommunications Department	UG	Robotics	76m2

Course	Level	Room ID/Name	Area of the Room
Electronics and Telecommunications Department	UG	Signal processing	39.34m ²
Mechanical Engineering Department	UG	FM Lab	54
Mechanical Engineering Department	UG	CAD/CAM Lab	54
Mechanical Engineering Department	UG	GDT Lab	106
Mechanical Engineering Department	UG	IC Engines	106
Mechanical Engineering Department	UG	RAC Lab	81
Mechanical Engineering Department	UG	Metrology Lab	54
Mechanical Engineering Department	PG	IE Lab	54
Mechanical Engineering Department	UG	Mechatronics Lab	54
Mechanical Engineering Department	UG	Automobile Lab	135
Mechanical Engineering Department	UG	HMT Lab	135
Mechanical Engineering Department	UG	Materials Testing Lab	81
Mechanical Engineering Department	UG	DM/C Lab	108
Mechanical Engineering Department	UG	Projects Lab	54
